

Guidelines on ECE5424G CS5824 Term Paper Proposal

Term paper proposal will constitute the **midterm exam**.

It is also a critical **preparation step** for final term paper. Below are the basic components that you should consider:

- A. Concise and descriptive title
- B. Abstract
- C. Specific Aims
- D. Background
- E. Research Design and Method
- F. Datasets and Experiments
- G. Timelines
- H. Key references

Term paper proposal is limited to 6 pages.
